SUMMARY

Versatile operations and design professional with hands-on experience across social media management, graphic design, CRM administration, and team leadership. Built and ran systems for a family apparel business serving 38+ returning clients and averaging 50+ garment designs weekly (peak 400+), managed multi-platform social content sustaining 200+ published posts, and coached 100+ customer service agents to three “Top Team of the Month” recognitions. Self-taught in GoHighLevel, CRM tools, and core programming languages to understand systems from the ground up, not just the interface. Seeking a remote role — Virtual Assistant, Automation/GoHighLevel Specialist, or Social Media & Design support — where range across strategy, design, and people leadership adds value beyond a single job description.

CORE SKILLS

Social Media Management • Graphic & Brand Design • CRM Setup & Management
Website Design (Wix) • Workflow & Funnel Automation (GoHighLevel) • Team Leadership & Coaching
Programming Fundamentals (Java, SQL, Python, C++) • Client & Account Management

EXPERIENCE

Social Media Manager | Executive Assistant

6 months

- Managed Facebook, Instagram, and LinkedIn content on an audience-timed posting schedule, sustaining 200+ published posts.
- Provided executive assistant support including CRM upkeep and day-to-day account coordination.

Graphic Artist

3 years

- Designed book covers (Amazon KDP), Wix websites, slide decks, and brand identity assets for clients.
- Built visual assets to look intentional rather than templated across every client touchpoint.

Business Manager — Family Apparel Business

3 years

- Led a heat-press and sewing production team, averaging 50+ shirt and jersey designs weekly, with peak weeks reaching 400+.
- Built operational systems that let the business run smoothly on days without direct on-site oversight.
- Retained 38+ loyal clients who have continuously ordered since 2023.

CSR Team Leader

1 year

- Promoted from agent ahead of peers; onboarded and coached 100+ agents through high team turnover.
- Led team to “Top Team of the Month” recognition three times, including one team-building budget award.
- Trained agents in de-escalation and clear policy communication for day-to-day floor issues.

Customer Service Representative

4 months

- Handled day-to-day customer inquiries and issue resolution, building the foundation for later team leadership.

EDUCATION & SELF-DIRECTED LEARNING

Information Technology — [School Name]

Self-directed study: GoHighLevel (CRM, automation workflows, funnels, SaaS/white-label mode, AI tools)

TOOLS

Photoshop • Canva • Wix • CRM Systems
Meta Business Suite • GoHighLevel • Java / SQL / Python / C++
